HURON SENIOR HIGH SCHOOL

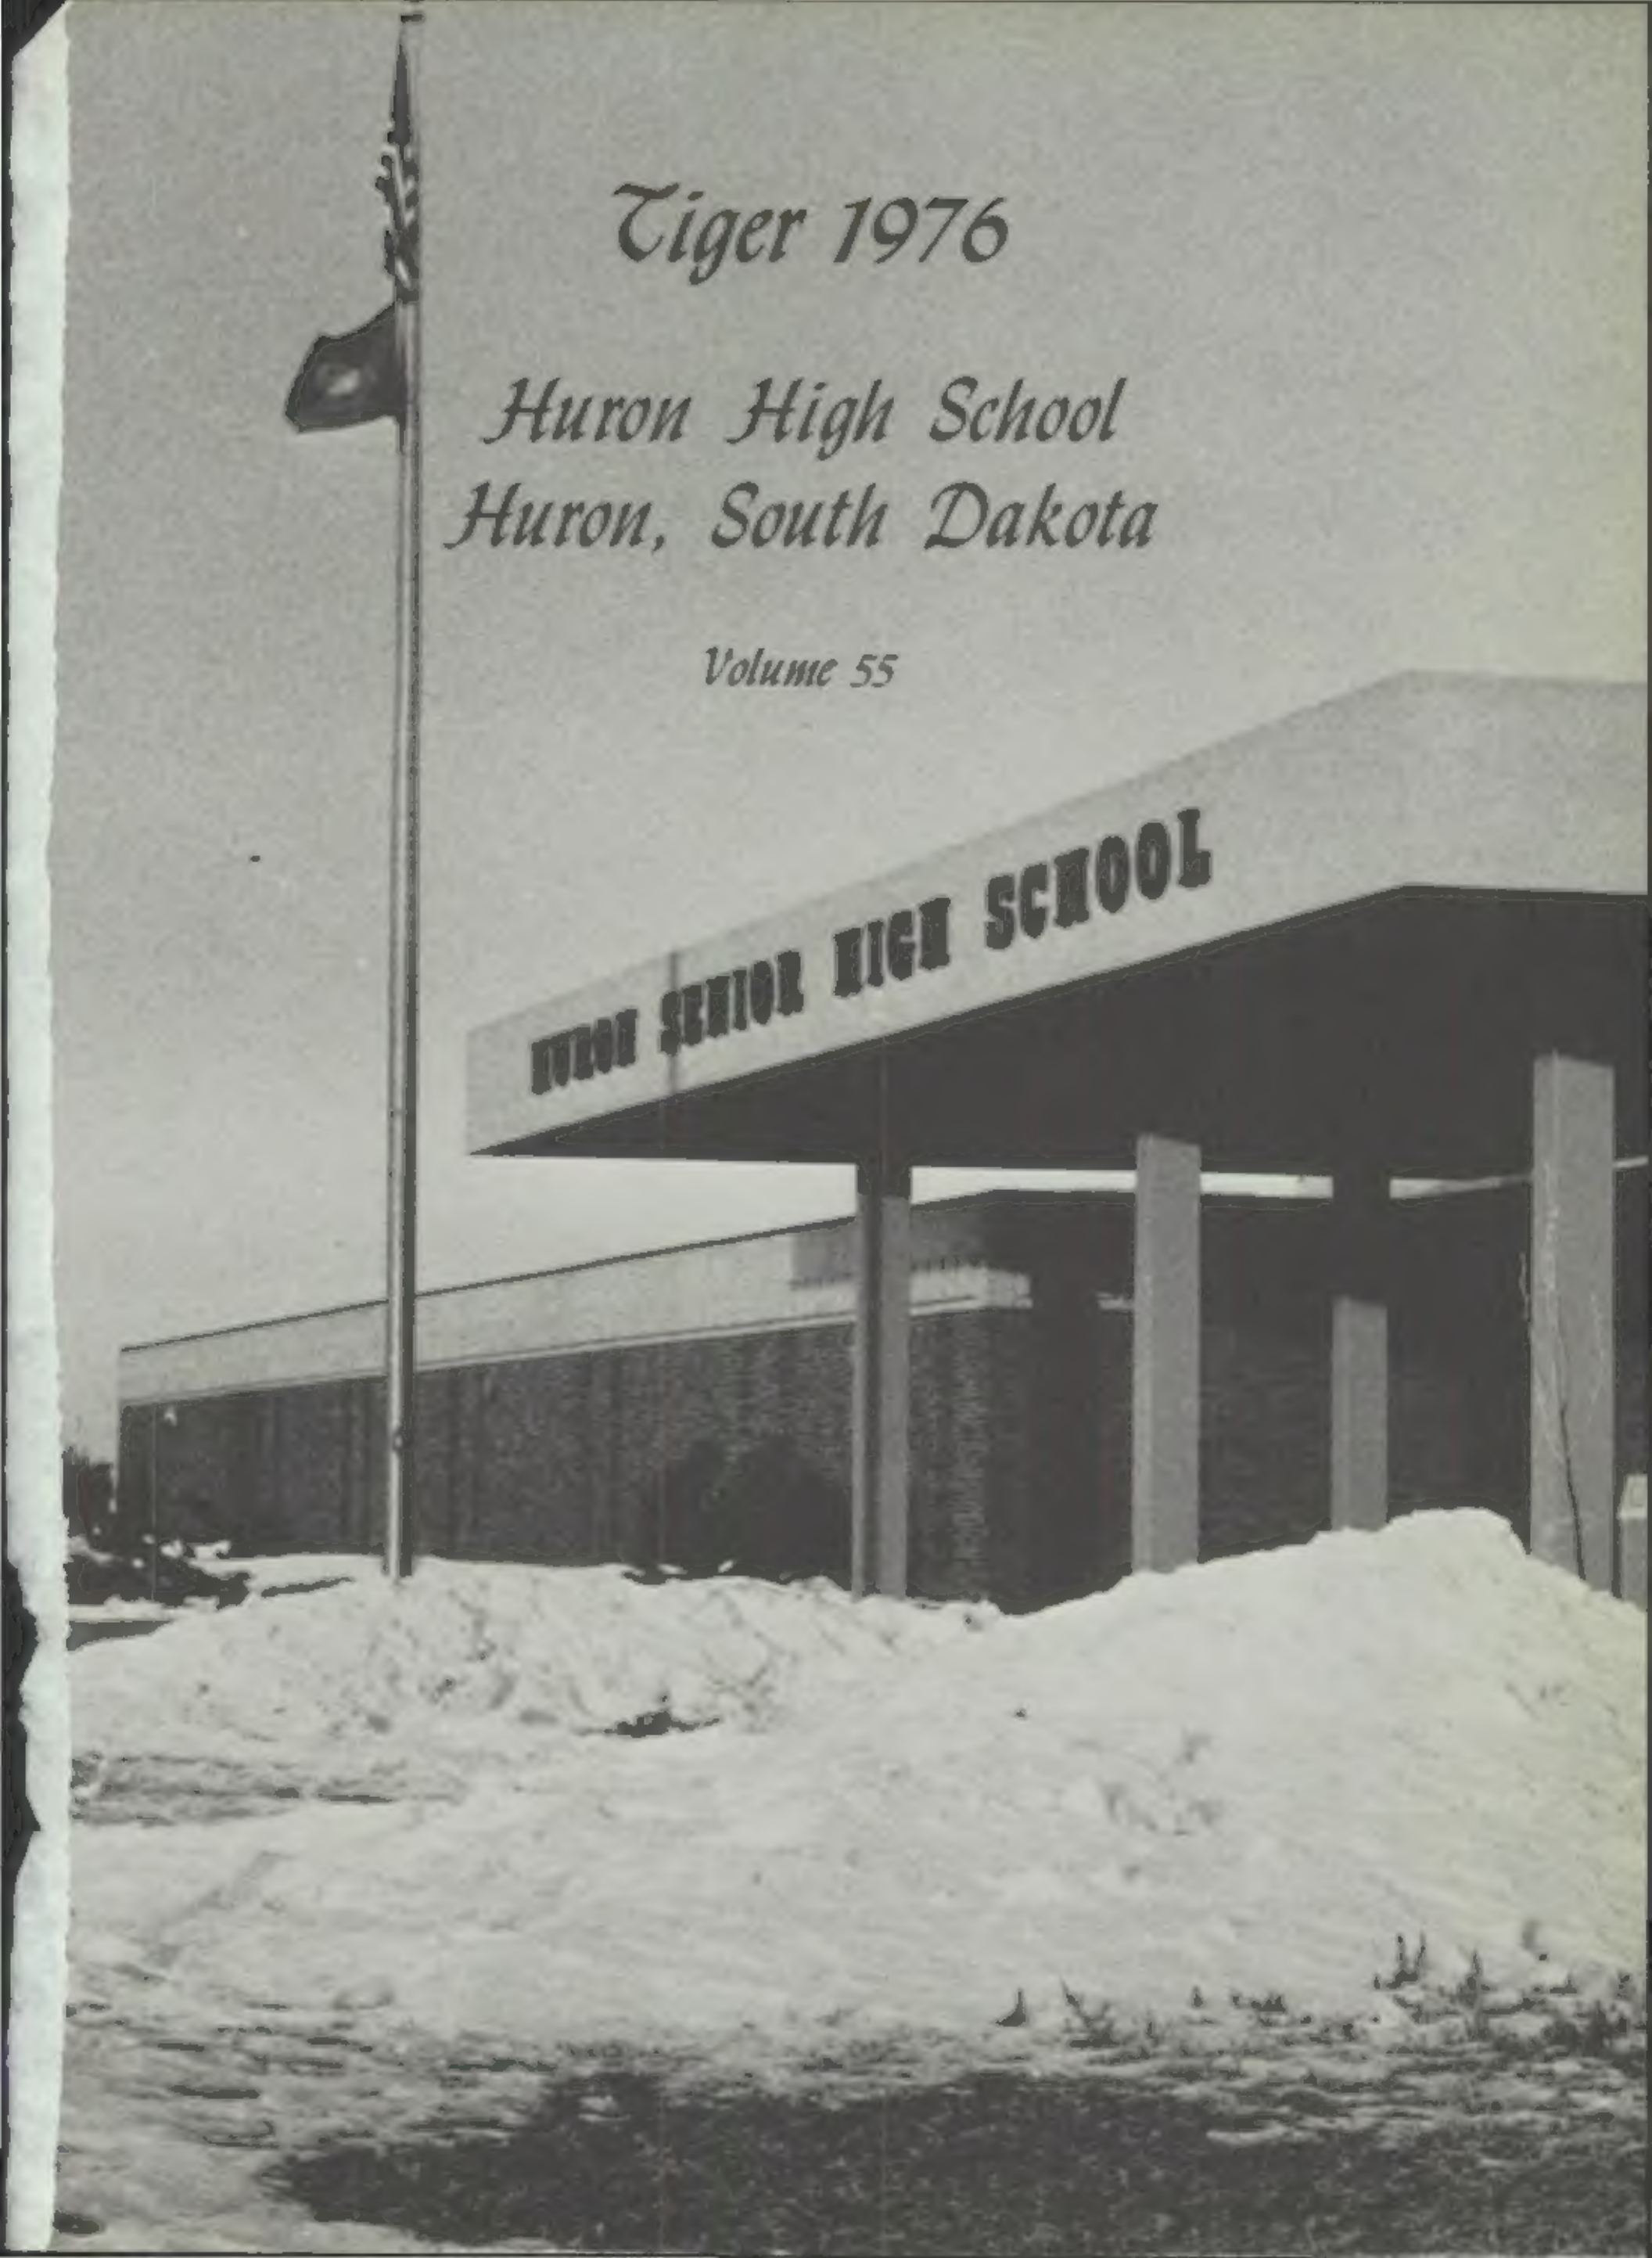

A black and white photograph of Huron Senior High School. The building is a long, single-story structure with a flat roof. The words "HURON SENIOR HIGH SCHOOL" are printed in large, bold, capital letters along the top edge of the building's facade. In the foreground, there is a large, uneven pile of snow, suggesting a winter setting. To the left of the building, a tall flagpole stands, with a flag partially visible at the top. The sky is a uniform, light gray, and the overall scene is captured in a slightly grainy, vintage style.

Remember

Good morning yesterday
You wake up and time has slipped away
And suddenly it's hard to find
The memories you left behind
Remember—do you remember?
Reach back for the joy and the sorrow
Put them away in your mind
For memories are time that you borrow
To spend when you get through tomorrow
Do you remember—the times of your life?

Athletics

Senior Gridders Play Key Roles

Senior members of the 1975 Tiger squad are front: Brad Richter, Gary Reimer, Scott Blount, Rod Paulson, Kevin Howard and Melvin Holm. Middle: Bill Kappler, Scott Reimer, Andy Tate, Mark Kool, and Bill Westerberg. Back: Bruce Fodness, Lyle Kunst, Brad Buckland, Murray Schiebe, Scott Meyers, Randy Andrews, Marc Contreras, and Dave White.

The Tiger football squad experienced a disappointing 1975 season. Ending the year with a 3-6 record, the Tigers went 0-5 before putting everything together. Going three and one the last half of the season, the Tigers placed two players on the All State first team. Brad Buckland was an all state offensive tackle, leading the squad in opening holes for the oncoming backs. Mark Kool, the Tigers leading scorer, made the all-state squad as a defensive linebacker; Kool led a tenacious defense that allowed less than 15 points a game in all but the season opener.

After losing the first five games, head coach Bob Timm got the team going as they defeated Pierre by a score of 28-6. Then the Tigers defeated Mitchell by a score of 26-13. After losing to Watertown, the Tigers ended the season with an emotionally-filled defeat of Madison.

Just before the final game, Head Coach Bob Timm suprised everyone by announcing his resignation from the Huron Senior High School coaching staff. Coach Timm was head football coach at Huron for four years, winning the conference title his first year as head coach.

"If at First You Don't Succeed . . ."

Juniors on the squad are front: Pat Splet, Scott Corcoran, Rich Barnes, Greg Schneider, Jim Webster, Bill Hageman, Greg Starnes. Middle: Dan Flanagan, Brad Soan, Loren Nihart, Bob Durnady, Craig Teuber, Richard Skordheim. Back: Donald Dornbush, Bob Hill, Darrold Grohs, Bruce Larson, Jim Layman, Jerry Borkorny, and Bruce Felix.

Guiding the 1975 tigers were Head Coach Bob Funn, Assistant Coach John Hauka, and assistant coach Buzz Stevenson. Student Managers were Frank Evans and Reedy Berg.

(1) Huron's Jerry Bucknys runs the Lincoln quarterback for a loss. (2) Gary Reimer has plenty of time to get one through the uprights. (3) Tiger defenders close in to stop Lincoln for no gain.

Sophs Go Undefeated

Members of the 1975 Sophomore Football Team were, Row 1: Coach Larry Wendt, Todd Buchele, Sam Prue, Roger Barnes, Bill Moran, Greg Gogolin, Kelly Lanam, Rod Hook, Tom Peterson, Todd Starnes, Randy Mass. Row 2: Rick Root, Brad Simmons, Dean Donnell, Jeff DesLauriers, Pat Winegar, Dave Timperley, Bill White, Jerry Hofer, Bill Harrington, Jeff Zwanziger, and Head Coach, LeRoy Person.

Row 3: Jim Housiaux (Student Manager), Martin Halnan, Dennis Bailor, Doug Hoffenke, Dave Rose, Russ Dunavan, Craig Wittenhagen, Kevin Olson, Keith Fodness, Don Jacobs. Row 4: Vince Watkins, Kent Krueger, Dennis Buckland, Greg Goehner, Duane Haugen, Larry Cross, Matt Denton, Steve Butler, Brad Okrina, and Kevin Morsching.

Sophomore Cheerleaders were, from front: Vickie Herkel, Teresa Malikowski, Connie Gustafson, Nancy Olson, Charlene Meyers, and Kristi Swenson.

Coach LeRoy Person again led the Sophomore Tigers to an impressive 6-0 season. The consistent running of fullback Rod Hook behind an intimidating front line put the soph gridders ahead throughout the season. Hook led the team in scoring with 76 points and in rushing with 632 yards in 70 carries for a nine yard per carry average. Steve Butler followed with 410 yards in 68 attempts. The defense was spearheaded by Kelly Lanam with 46 tackles and Greg Gogolin with 28. Jeff DesLauriers managed four pass interceptions. The varsity squad can again look forward to plenty of help from another one of Coach Person's fine sophomore squads.

Harriers Run Into Stiff Competition

(1) Members of the 1975 cross country team were (front) Brian Nelson, Dane Swenson, Scott Johnson, John Stinehart, Dave Marlowe, Tim White and Phil Maher. Back John Vosler, Gary Christiansen, John Nielson, Doug Simmons, Dave Lang, Mark Wehde, Bruce Palmer, Tim Sexton and Coach Roger Loecker. (2) Tim Sexton finished his cross-country high school career with eight school records.

After expecting an outstanding year in cross-country, Coach Roger Loecker's injury plagued team had to settle for a season filled only with personal accomplishments. Without a unified team effort, the Tigers started out slowly. Tim Sexton was ill with flu for awhile and Mark Wehde was out indefinitely with a back injury. Huron was led by Sexton who placed highest of all Huron runners during the season. Doug Simmons also ran consistently well for the Tigers with Dave Lang, Tim White, Bruce Palmer and Gary Christiansen running outstanding races during the season. The Tigers will lose Sexton, Simmons, Palmer and Christiansen this year due to graduation. Heading the list of returnees will be Lang, Wehde and White.

Members of the 1975-76 Varsity Basketball Team were: Brad Richter, Bill Hageman, Scott Blount, Greg Strommen, Rod Linafelter, Rick

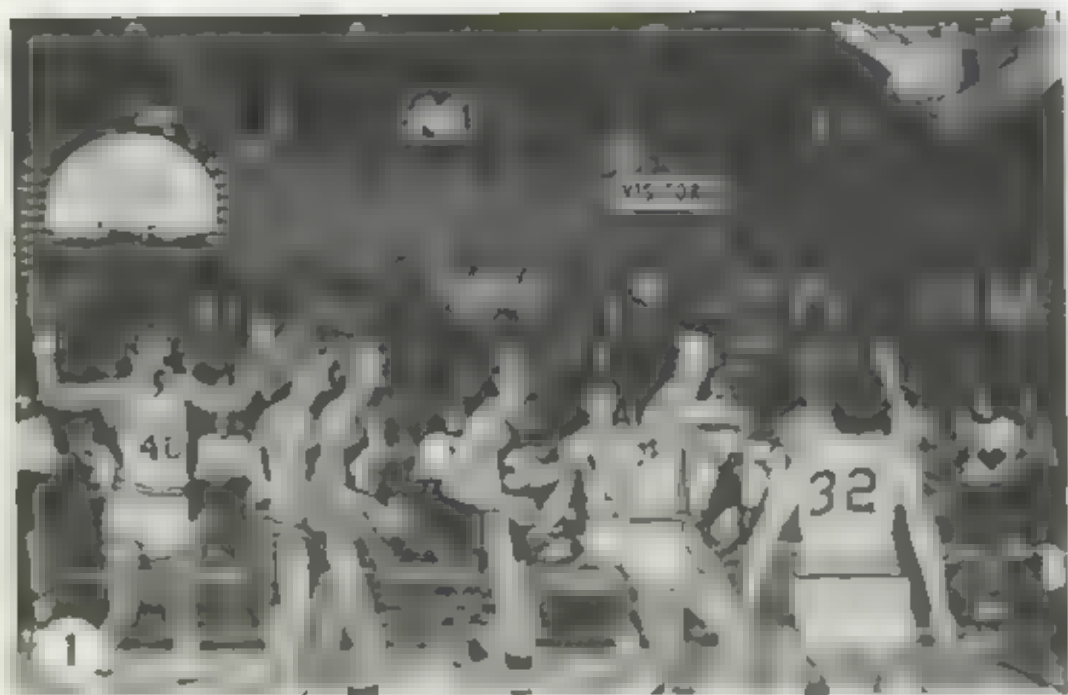

Jungeman, Lyle Konst, Brad Shanks, Mark Burger, Jerry Hockorny, Dale Corum, Dan Prue, Jeff Dealaurers, and Jim Webster.

The Huron Varsity Basketball Team, coached by Mike Vogel, finished the hard-court season with a 3-18 season's record. With only five returning lettermen, the Tigers had difficult times, but as the season progressed the team showed much improvement. Low field goal shooting percentages were attributed to the losses of many close-scoring ball games. Leading scorers for Huron were seniors Mark Burger and Brad Shanks and junior Rick Jungeman, all scoring an average of ten points per game. Burger's 72% free throw effort helped the Tiger cause while Shanks and Jungeman shot 42% in field goals. Brad Shanks was also the leading team rebounder grabbing an average of nine per game. In sectional play, the Tigers lost to Aberdeen in the opening round. Looking forward to next year, with many returning lettermen and some young, tough talent, the Tiger cagers hope for a successful season.

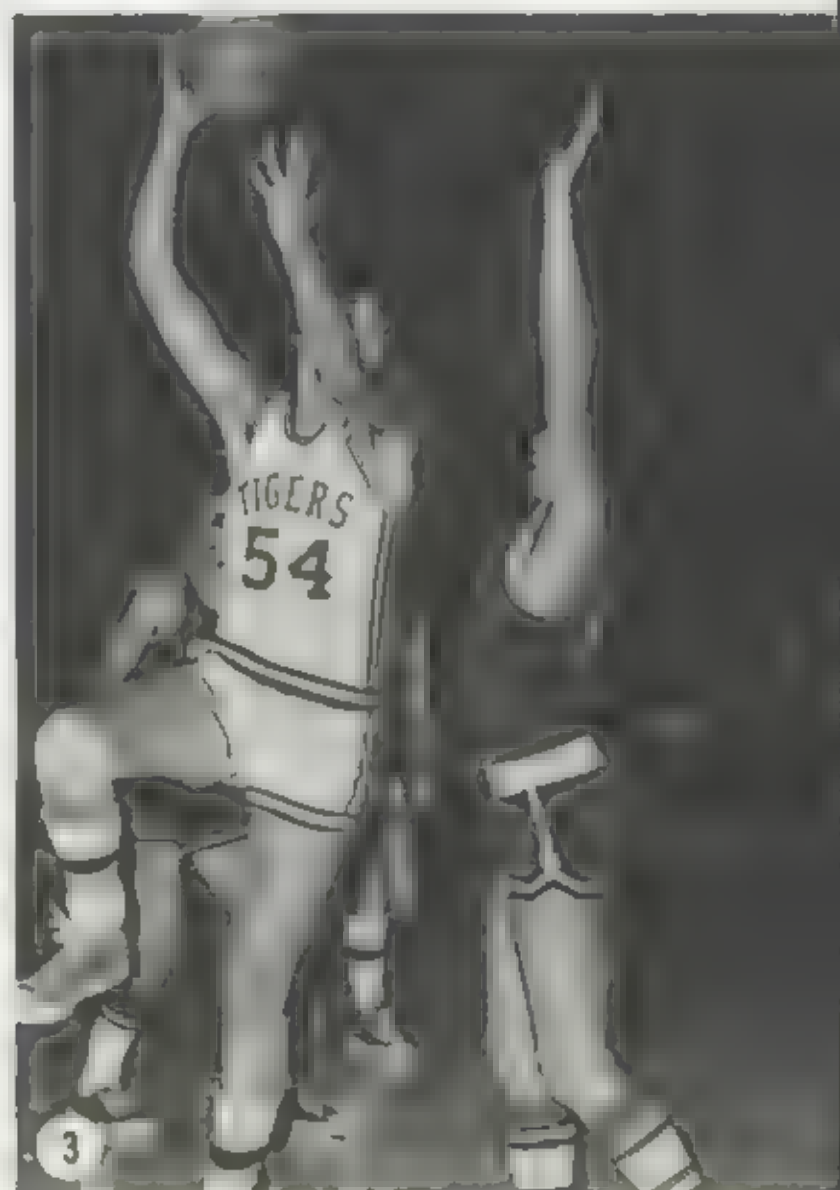

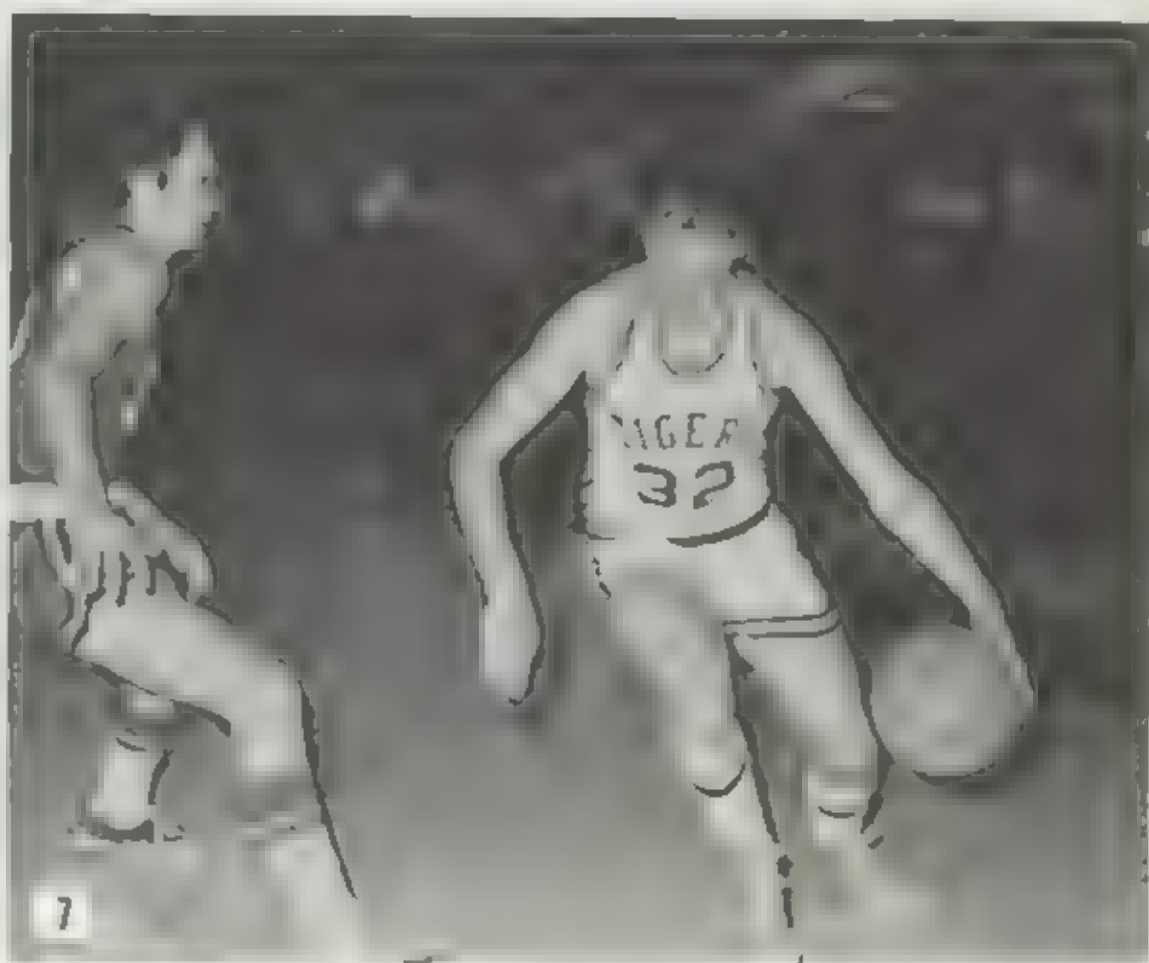

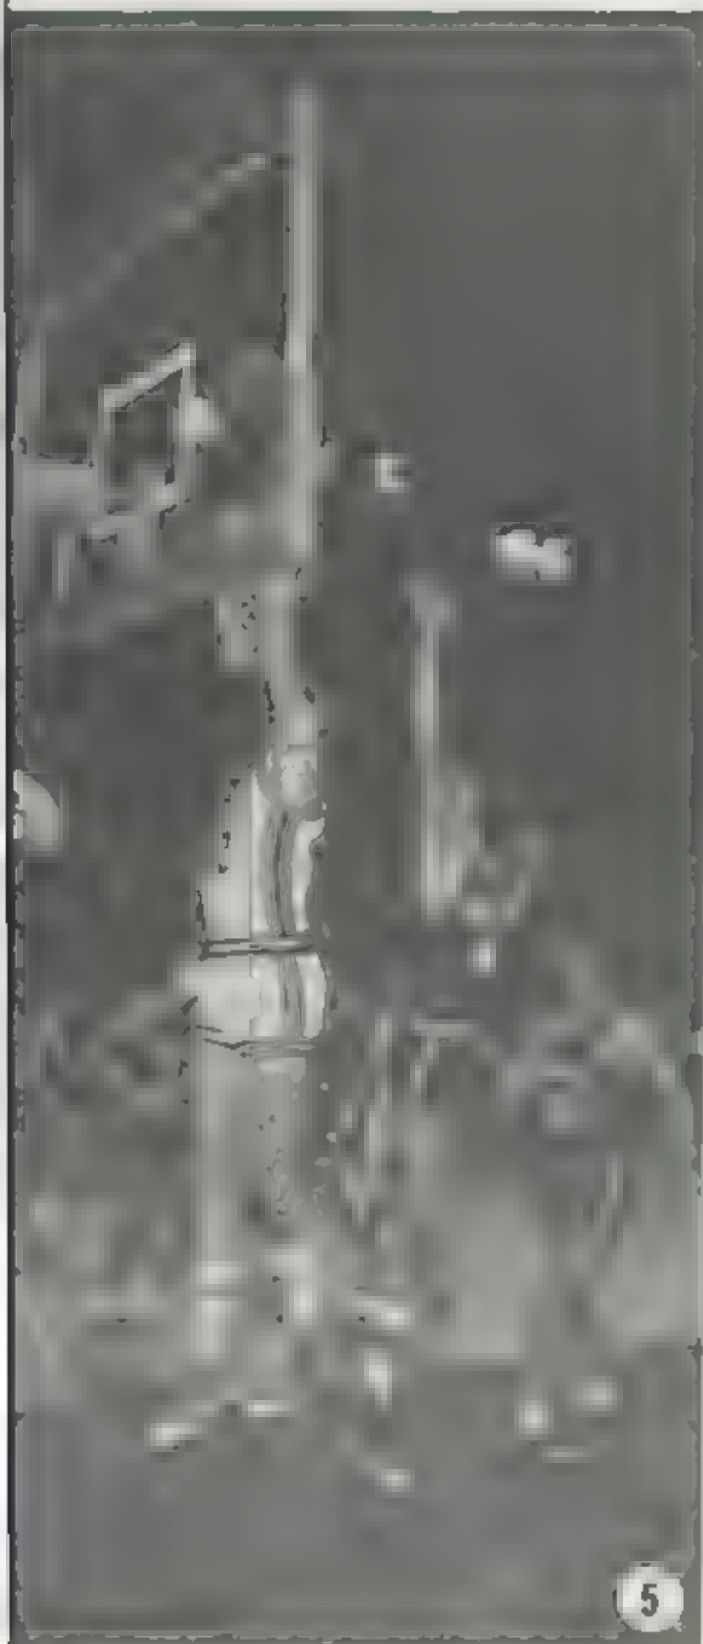

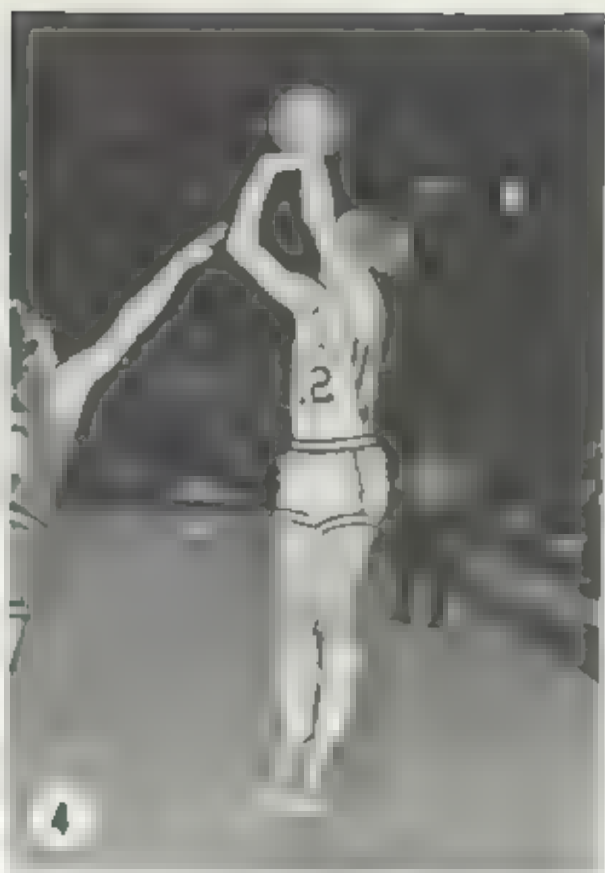

Coaches for the 1975-76 basketball season were, Back Head Coach, Mike Vogel and Sophomore Coach, Lyle Pearson. Student Managers were, Front: Frank Evans and Reedy Berg.

(5) Mark Burger flies above the rim for 'two'. (6) Bill Hageman drives the base line while Jerry Bockorny and Lyle Konst go in for the rebound. (7) Rick Jungemann puts a move on a Brookings defender.

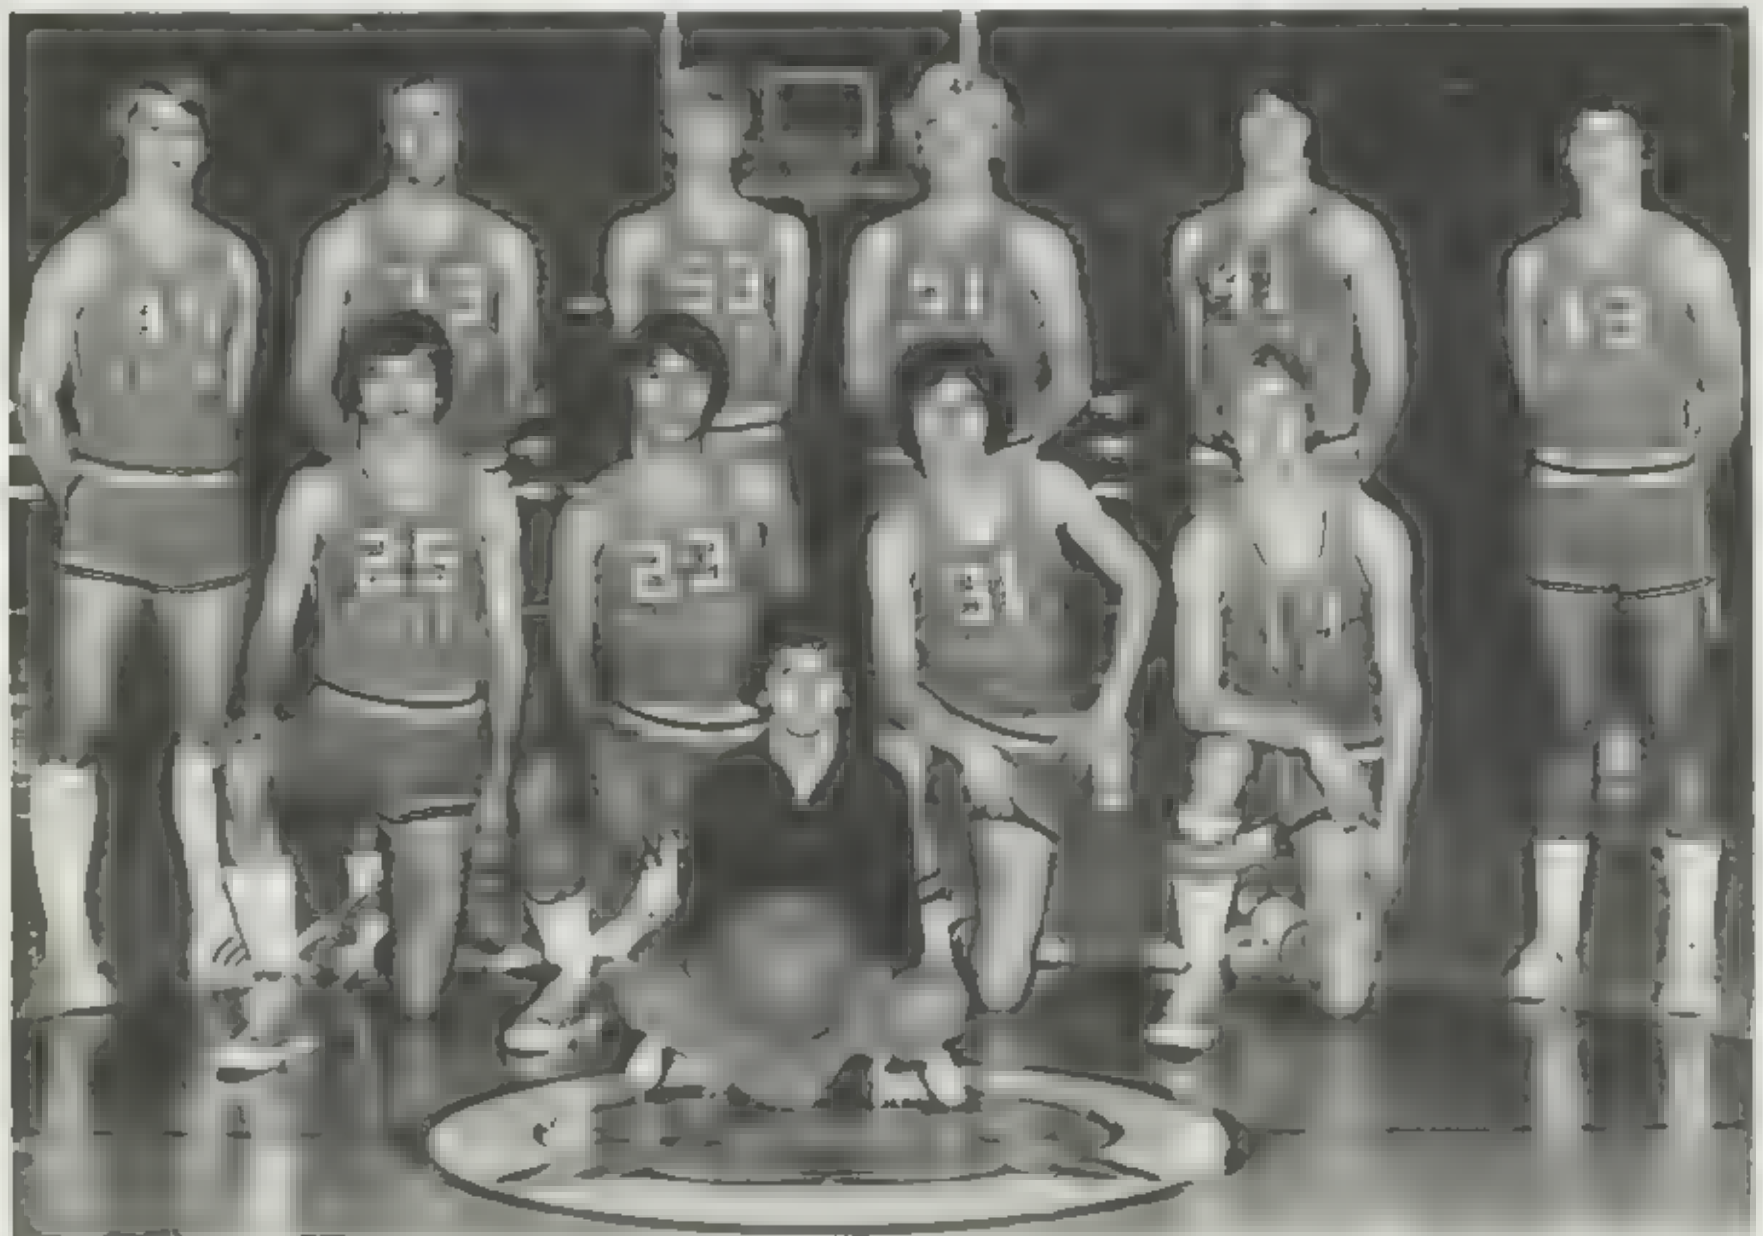

JV Team Has Winning Season

Scott McCaskell lead the 1976 junior varsity scoring department with 138 points, followed by freshmen Steve Butler with a distant 62. Bruce Larson, playing only four games, had 118 rebounds per game, Dennis Buckland snatched 10 per game.

The JV's as a team effort, averaged 50 points per game, but in shooting they hit only 38% most likely hoping to improve this percentage next year.

The sophomore basketball squad encountered a rough basketball season for 1975-76. Beginning the season in fine fashion with two quick victories, the team was able to find wins in only two additional games. Many close games were lost, six of which were dropped by a difference of five points or less. Two contests involved overtime play. Steve Butler and Dennis Buckland dominated the boards by bringing down 100 rebounds for a 7.7 average and 113 rebounds for a 7.0 average, respectively. Brad Simmons scored 144 points on the season, Kelly Lanam had 123. The sophomore Tigers were a far better team than their record showed.

Science Club Sponsors Candy Sale

An active year was enjoyed by all the members of Science Club last year. Although the group was small in number, the Science Club had some very interesting and worthwhile projects.

Club-sponsored activities included visits to a planetarium in Minnesota and Eros in Sioux Falls. Other field trips were taken during the spring months.

The Science Club also had a very successful candy sale. Students wishing to munch on a candy bar or other snack were always found in the chemistry room buying their favorite goodie.

The club met twice a month usually viewing films or listening to guest speakers. Science Club advisors were Dennis Stevens and Gary Wold.

The selling of candy was one of the Science Club's greatest projects. Here, Dennis Stevens does some bargaining with Drew Fischgrabe in the storeroom.

The Library is for quiet, independent study. Students have access to a variety of resource material, audio tapes, newspapers, and magazines.

English and social science materials are available to students in the Resource Center. Students may visit after asking permission.

The Commons is set up for group study and conversation.

Students may relax and take a break from studies in the Lounge. Pop, candy, and music from the juke box are only a few of the attractions here.

Students Pursue Interests in Business And Languages

Business courses offered at Huron Senior High are bookkeeping, business math, business law, shorthand and typing. Students gain an understanding of modern business projects and skills needed to work in the business world. Distributive education, diversified occupations, secretarial practice and clerical practice give students opportunities for on-the-job training.

Huron Senior High offers a fundamental program of English, German, and Spanish. Sophomores receive the basics in grammar and writing techniques, plus exposure to different literary cultures for one semester. The second semester sophomores have the choice of journalism, looking at language or words at work. Juniors concentrate on American literature with the same electives as sophomores including creative writing. Seniors study British literature and also have the same electives with exposition, creative writing and advanced creative writing.

Social Science Classes Feature History, Government

Social science courses offered at HHS include American government, American history, world history, psychology, sociology and contemporary affairs. American government is required for all seniors and American history is required of all juniors, while all others are electives.

In government, seniors learn the functions of federal, state and local governments. The main purpose of American history is to familiarize juniors with the major events that shaped the United States, from the Civil War to the present. Sociology covers group behavior, while psychology emphasizes the individual and his behavior. In contemporary affairs, students study the current events in our society. World history students take a close look at the backgrounds of various countries around the world.

(1) As Mr. Houska lectures in sociology, students listen contentedly. (2) Dave Packard teaches Mr. Stevenson a few things about history. (3) "In this bicentennial year," says Miss Vangnes "World history is no joke, Bob." (4) Mr. Timm explains the income tax procedure to Roger Swanson.

The idea of the original thirteen colonies and their leaders was born out of a passion to be free — to chart their own destiny of building a country out of this thin fabric called **Freedom.**

The threat from England was not to come even as this movement was viewed as a serious threat to the tentacles of the vast and far-flung British Empire.

Patriots rose from every corner of the struggling country. Help came from other European countries to add to the flame of breaking the grip of England. Farmers, fishermen, cobblers and men from every walk of life took up their arms to defend this new-felt right to be free. As the smoke began to clear, ideas on organizing this diversity of colonies into a coalition of united states began to take shape. The form of a Constitution and Bill of Rights was molded by statesmen who previously were nonexistent.

AS THE WESTERN WORLD opened its eyes to the world of this new country, with its vast domain and resources, thousands of immigrants poured in to start a new life. With the added growth of population, new frontiers were needed. This stretching brought new conflicts with foreign powers who previously had laid claim to parts of the interior.

As the nation grew, internal disagreement erupted into a battle of economic and philosophical differences. The battle was to leave scars which would heal only after generations had passed. Out of the wounds came a stronger fiber of freedom for the individual man. The country had survived as a unit and now its energies would be put to work in realizing the founding fathers' ideals.

The need for new frontiers stimulated westward movement spread West. A rapid explosion of technological advances pointed the country into the fore as an industrialized nation.

As the young man grew up, this strapping, growing giant became embroiled in the first of the World Wars. After its success with other Allied Nations, a never-before-felt boom and prosperity was followed with the shattering bust of the Great Depression.

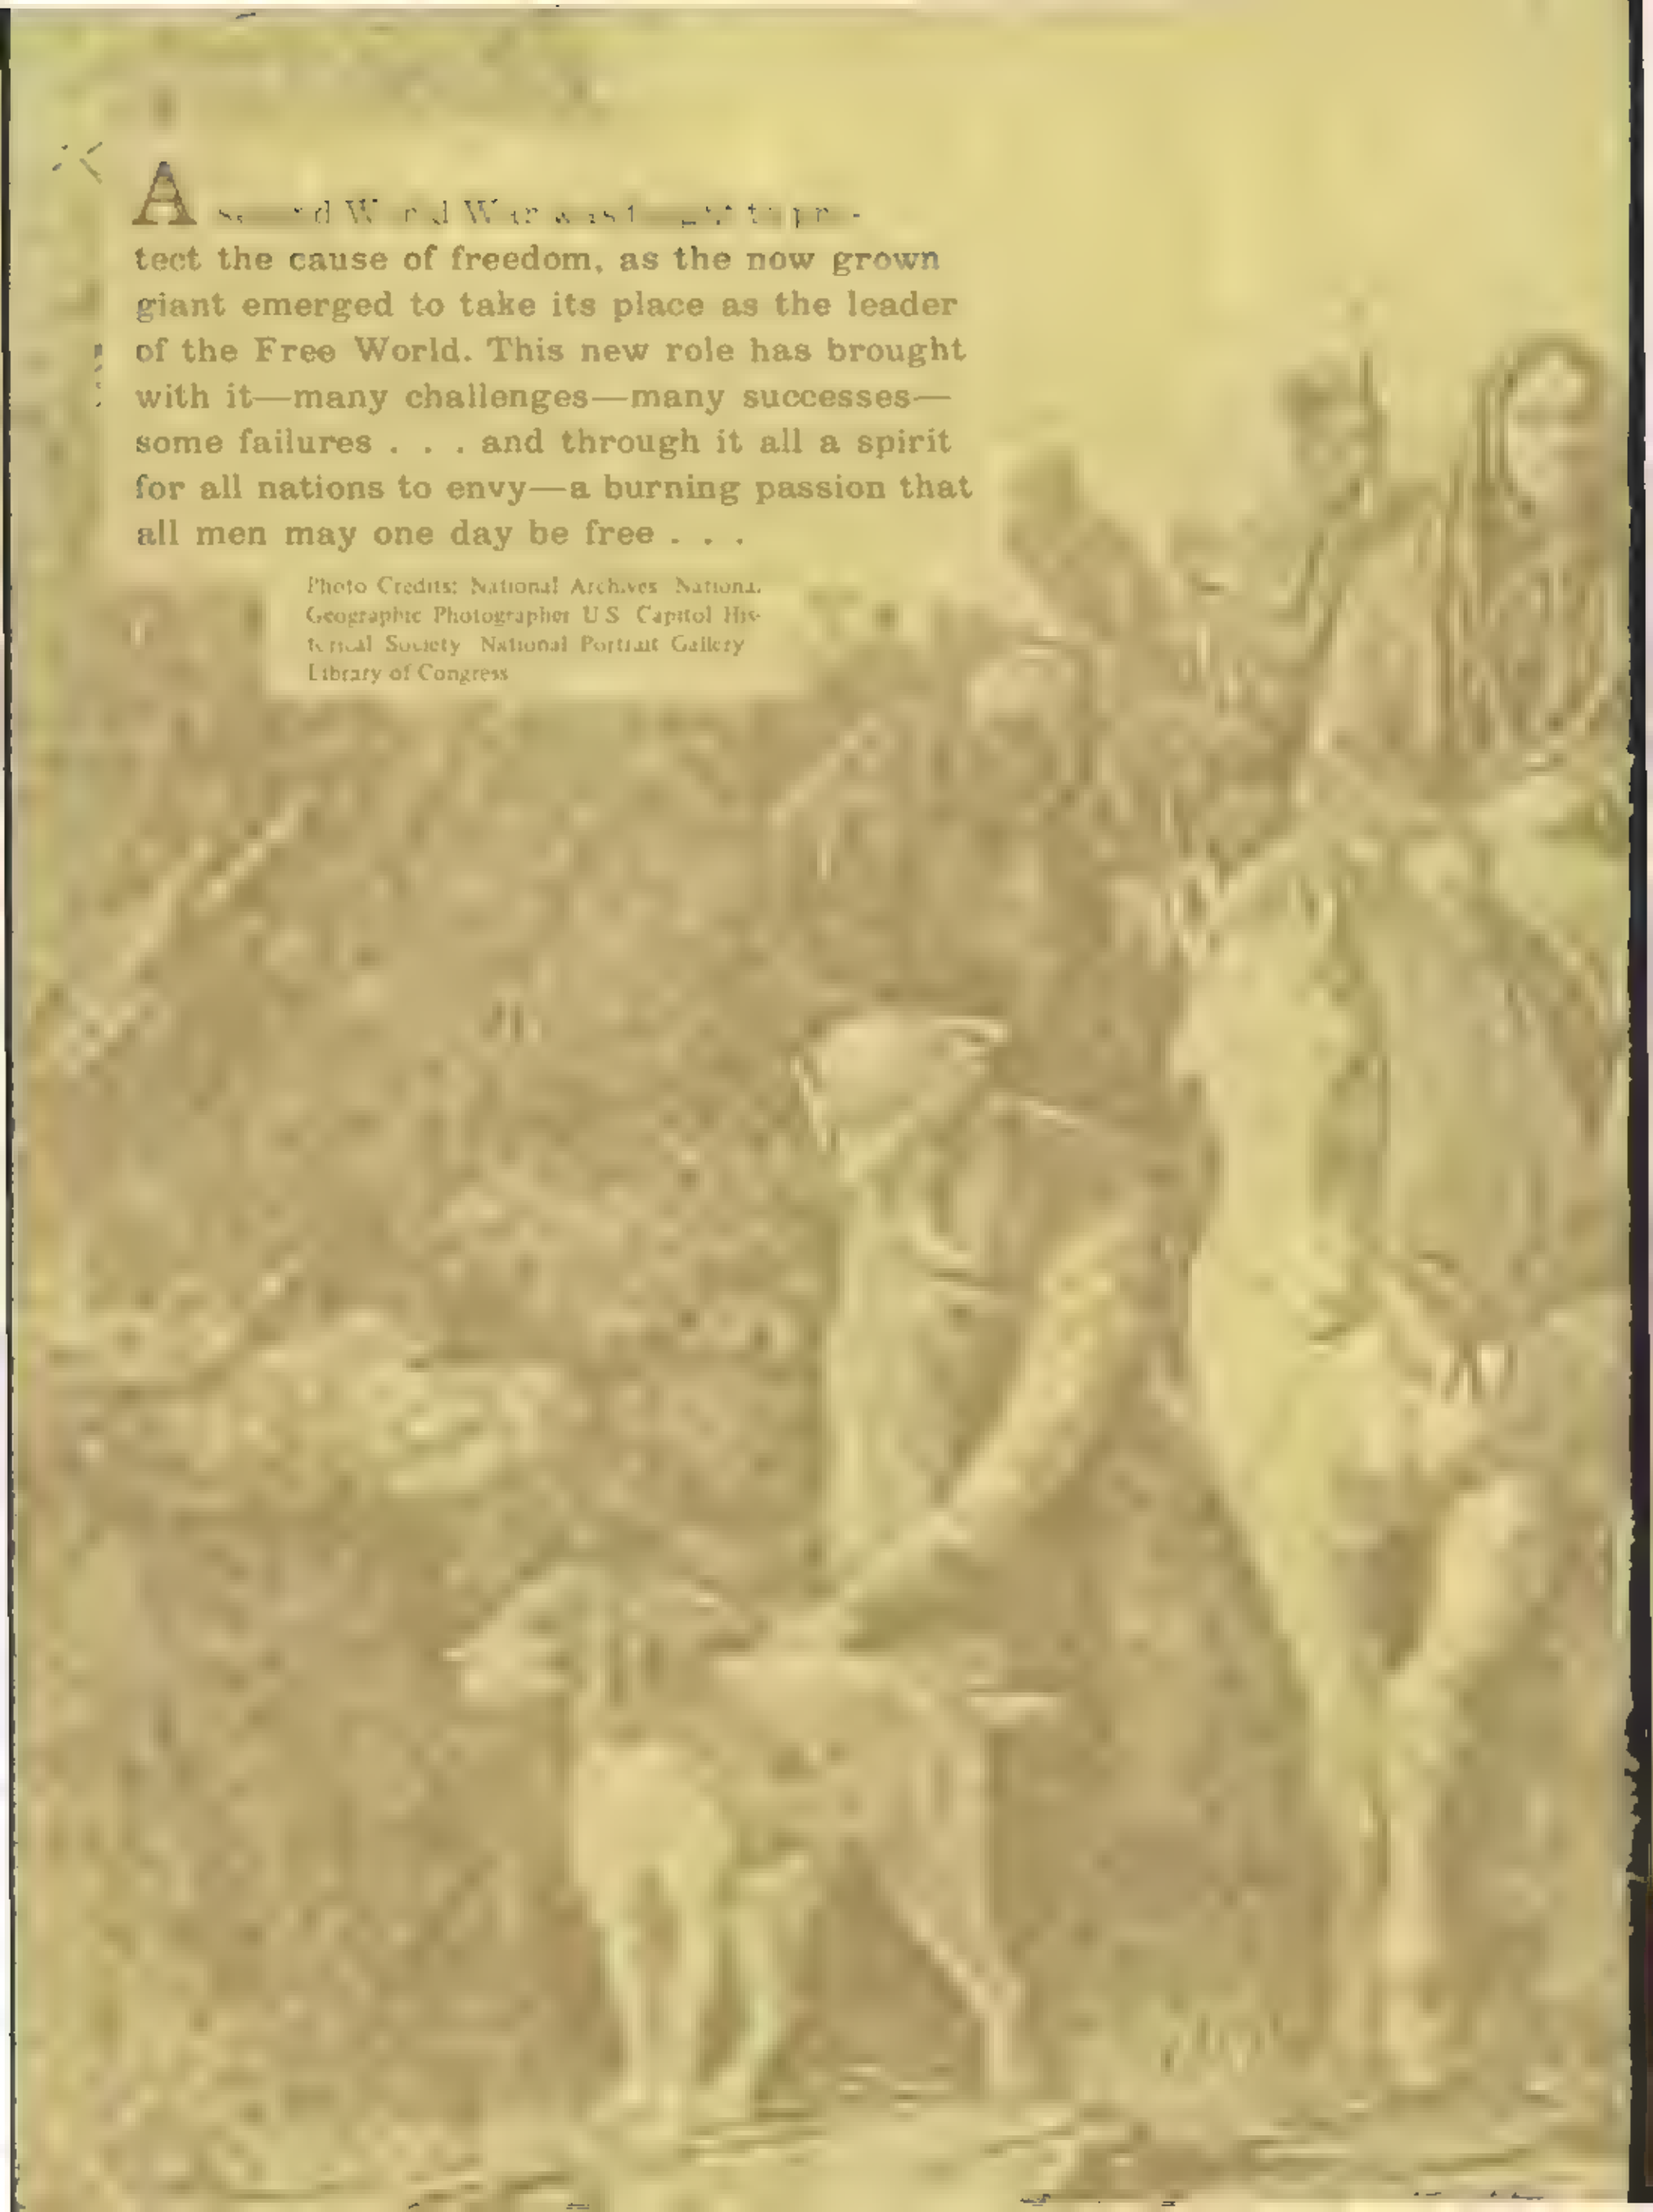

New dangers were seen to the future. Out of its fall, while on the horizon new storm clouds were building across the oceans.

Handwritten notes and signatures at the bottom of the page, including the name 'Charles J. ...'.

A second World War was fought to protect the cause of freedom, as the now grown giant emerged to take its place as the leader of the Free World. This new role has brought with it—many challenges—many successes—some failures . . . and through it all a spirit for all nations to envy—a burning passion that all men may one day be free . . .
